TUESDAY, JULY 17, 1855.

THE CONGRESSIONAL CANVASS - When we rete upon this subject a few days ago, we shall has been trie scarce y thought it possible that the Anti-ty deficient like is not American party could make greater efforts than it was then making. But it's exertions, we find,

Ameria in party could make greater efforts than at Merian in party could make greater efforts than at Merian in party could make greater efforts than at Merian in party could make greater efforts than at Merian in party could make greater efforts than at Merian in party could make greater efforts than at Merian in party could make greater efforts than at Merian in party could make greater efforts than at Merian in party could make greater efforts than at Merian in party could make greater efforts than at was their making. The work of selectioners will be a proposed of the country of the origin measures to China, and he had the other of a other days of the sentence of the Pope, depresed in certain cases of the dominion which they have over the sentence of the Pope, depresed in certain cases of the dominion which they have over the sentence of the Pope, depresed in certain cases of the dominion which they have over the sentence of the Origin, and I compared that the origin and party of the sentence of the Origin, and I compared that the sentence of the Origin, and I compared that the sentence of the origin and proper manifolds the summer of the sentence of the origin and proper manifolds in the sentence of the origin and proper manifolds of those who are at work for him, he unquestionably does to with the expectation of the was done because in the summer of the summer timen this source alone must amount to between three and four thousand offiles. The seventhree and four thousand offiles. The seventh housand offiles have undoubtedly been raised by to lary and forced contributions. So will there of four thousands from the "Demicrate Associations," several thousands from the Other Will man do not a statement, to which, we think, on the association of the other deviced of the several thousands from the Demicrate Association, and the association of the contract of the Association of the contract of the Corpersonal from the Coverance of the Corpersonal from the Coverance of the Association of the Coverance of

The control of the co

The Point Acknowledge of the Leave of the Country State of the Country S o ic Church; and, by taking this course, we have enlisted against our paper, as we well knew we hould, the most curring, the most relentless, the most fanatical, and the most thoroughly-on-amized and perfectly air ciplined body of men in the whole civilized world; but we have no apprehension of their power to work us injury if the true friends of religious and political berty will continue to stand, as they are now standing, shoulder by shoul en with us in the stringles. We share never only if to the assault, and hell, and, maximuch as it is asserted at the can, as king of heaven, extily monarchs, and, as king of heaven, extily monarchs, and, as king of heaven, extily monarchs, and as the first of the devils and take then in among the saints.

Hence the Dope is strong in his own courry, but he is no match for Sam here.

But seemed a of two years was the limit during which Col. Marshalt could be consistent. Almost mand as elly after his return to tong which Col. Marshalt could be consistent. Almost mand as elly after his return to the wished a more I morable and lucrative position under government, and his desire to secure the communicate by the Pope. For he is of such greaters town the surface seemed to absorb every other cum derastion. We have the surface seemed to absorb every other cum derastion. We have the surface seemed to absorb every other cum derastion of the power of the Pope and the etter Kennicky delta the countries of the power of the po
